

luxury — rest — bliss

{iossi} SPA

The SPA line consists of luxury natural cosmetics intended for professional treatments in wellness salons. Beautifully scented and skin-pleasing products from the SPA line are perfect for massage and tender care rituals.

We all need a moment for ourselves. We want this moment to be filled with bliss and luxury because we certainly deserve it. The SPA line consists of exclusive natural cosmetics created to meet the sophisticated needs of customers with sensitive, demanding skin. Beautiful scents of oils, creams, body butters and other exceptional products from the SPA series are 100% natural - composed of pure essential oils, they soothe the skin, senses and emotions.

The line is available in luxurious, glass packaging sized to suit the needs of professional SPA and wellness salons. Produced in Poland, our beauty spa treatments contain the highest-quality raw materials sourced from organic farms all over the world. Used for massage, beauty treatments and rituals, clients are guaranteed an unforgettable experience and spectacular effects, which include:

- Increased skin firmness,
- Improved skin elasticity,
- Smoother skin,
- Evened skin tone,
- Reduced sebum production/increased sebum control,
- Unclogged pores,
- Increased skin hydration.

{iossi} SPA. Let's pamper ourselves with a little luxury.

Ultra-Gentle Face Massage Oil Apricot & Raspberry
